Manan  
Mehta

Manan and Sahil's journey started way back in 2015, as they set out to build their own restaurant chain. After successfully building 3 restaurants and working with a number of agencies across the city, they saw a dire need for creative companies that actually understood how hospitality businesses operate and created + executed strategies that were not based on assets delivered but increased walk-ins and overall sales!

The entrepreneur in them couldn't rest,
